Burglar Identified.

San Francisco, Feb. 15.—The burglar killed yesterday by Frank J. Miller in the residence of J. L. Franklin was practically identified at the morgue today as the murderer of Alfred J. Neville in a grocery store in last November. At that time two masked robbers entered the store and Neville, who was a customer of the store, started to leave and was shot by one of the robbers. Eckhorst, the proprietor of the store, today identified the body of the robber as Neville's murderer, although another customer who witnessed the murder has not positively identified the body.

Mrs. Davidson.

San Francisco, Feb. 15.—Mrs. Mary A. Davidson was formally arraigned today before Judge Bahr in the Superior Court, upon a charge of the extortion of \$600 from Rev. C. O. Brown. Incarceration in the county jail has not affected Mrs. Davidson's spirits. She looks well and contented. The attorney for the defense moved to dismiss. After the argument, the defendant's motion was taken under advisement until next Friday. If the motion to dismiss is then denied, the trial will be set, but by that time the Congressional Council to try Dr. Brown will probably be over.

Bad Newspapers.

Washington, Feb. 15.—The Post-office Department has issued instructions to Postoffice Inspectors in the larger cities including Kansas City, Chicago, San Francisco and other western points, to arrest and bring up for trial managers and proprietors of newspapers who violate the postal laws and regulations by sending obscene articles, pictures and advertisements through the mail.

A Priest in Trouble.

Shamokin, Pa. Feb. 15.—Rev. Thaddeus Jakinowicz, the deposed pastor of St. Joseph's Catholic Church, in Mount Carmel, was arrested yesterday near Mahoney City. He fled three months ago after having been admitted to bail on a charge of embezzlement. He was locked up. Sixteen charges will be preferred and will aggregate \$5000.

Nansen Returning

London, Feb. 15.—The British Consul at Archangel, capital of the Russian Government of that name, telegraphed, confirming the report that Nansen is safe and returning from the North pole.

George Meyers captured the first prize at the Hard Times Party on Friday night. He appeared in the same suit of clothes he was married in. Mrs. Wiley also captured a prize with a 4 cent calico dress.

TIMES CHANGE ALSO PRICES.

Do you realize this. Do you know what made it. It was not the old time grocers who showed the people the value of a dollar, but new blood forced new prices to the front and showed the people where they were at.

We did not have to reduce prices to meet them *they came to our price.* This is our claim. We only want you to know where the credit belongs and deal accordingly.

We changed with the times, not after them, and our groceries are sold for modern prices.
